

COVER SIDE CHAIR

THOMAS BENTZEN ON THE DESIGN “The Cover Side Chair is born from a desire to bring modern perspectives to the archetypal wooden chair. I wanted to give the design a crisp and contemporary expression through its thin plywood material, paired with the solid and grounded sentiment of its frame and base in solid wood. With the details of its curved backrest that folds gently around the back legs and its warm materiality, the stackable Cover Side Chair translates the ideas of Scandinavian craftsmanship into a modern design language.”

CLEANING AND CARE

For textile versions, please find cleaning instructions for your chosen textile at kvadrat.dk For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products. For wood versions clean the chair with a damp cloth. If necessary only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away. This product can be cleaned with alcohol disinfectant. However, please note that as wooden products will get patina where the surface color can slightly fade. If cleaning is uneven, this may become even more apparent yet the lacquer will stay in place. For wooden products in lighter colors, the patina will be less apparent.
