

Elate is simplicity, elevated.

Featuring a weight-controlled synchronised mechanism with a generous recline, seating tension adjustment, and optional lumbar support, Elate enables you to fine-tune your optimal comfort.

Engineered with affordability at its core, Elate goes beyond the essentials, delivering exceptional comfort and functionality to create the ideal task chair for your work day.

OVERVIEW

DESIGNER

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimise the impact on the world around us.

They come from all over the world, but are based in our Design Centre located in a quiet Lancashire village outside the Ribble Valley. Our dedicated facility is over three floors which include studios, a materials test centre and prototyping lab.
